

LEGACY CREDIT UNION ANNOUNCES CRAFT YOUR LEGACY SCHOLARSHIP

[Birmingham, AL] Legacy Credit Union today announced the launch of the Craft Your Legacy Scholarship, a new \$2,500 scholarship available now through the UAB Alumni Society. This scholarship is available to a University of Alabama at Birmingham undergraduate or graduate student who is looking to further their academic career and would otherwise face financial difficulty.

“Legacy has a long history of support for UAB, for our community, and for education. The launch of this new scholarship program is a perfect opportunity to further demonstrate our commitment to each of those key priorities,” says S. Glenn Bryan, CEO and President at Legacy. “We look forward to the impact this scholarship will have on the deserving student who receives it.”

“We are thrilled to partner with the UAB Alumni Society to play an integral part in a student’s career journey,” says Leia Ragland, AVP of Marketing and Business Development at Legacy. “A legacy goes beyond us, and this scholarship is one way we can impact a UAB student for years to come and set them up for financial success.”

Legacy Credit Union has remained committed to UAB since 1955, when we emerged as University Credit Union. Since then, Legacy has sought out ways to make that commitment visible to the Birmingham community and became the Official Credit Union of UAB in 2016. Contributing to the growth of surrounding communities and investing in financial education has been a consistent priority for Legacy. During 2021, Legacy incorporated Education into our set of core values, making it a top priority for the credit union. Today, Legacy is taking that commitment to a better kind of growth one step further.

In 2021, Legacy joined efforts with the UAB Alumni Society to sponsor and launch their Growing up Green and Gold program. Growing Up Green & Gold is presented by Legacy Credit Union and provides an engagement opportunity that will excite children and grandchildren of alumni about their future at UAB through many of life's important milestones. From the time they are born until they turn 16, the NAS will help celebrate these achievements with Blazer birthday cards, biennial gifts throughout childhood, and invitation to UAB events. When it comes to choosing a college, they will have UAB as a starting point for their search and can additionally turn to Legacy for support of their dreams.
