LEGACY CREDIT UNION ANNOUNCES CRAFT YOUR LEGACY SCHOLARSHIP RECIPIENT

[Birmingham, AL] In May of 2022, Legacy Credit Union announced the Craft Your Legacy Scholarship. A \$2,500 scholarship that would be awarded to an undergraduate or graduate student at the University of Alabama at Birmingham through the UAB Alumni Society.

Today, we are pleased to announce that Julia Andres of Shelbyville, Tennessee is the first recipient of the scholarship. Julia transferred to UAB as a junior from Bryan College in Dayton, Tennessee. She is studying Kinesiology through the College of Education with aspirations of becoming a Physical Therapist.

“I am very pleased to offer my congratulations to this year’s Craft Your Legacy Scholarship recipient, Julia Andres” said Legacy CEO and President, S. Glenn Bryan. “In her application, Julia describes the legacy she wants to leave as one that focuses on life, living, caring, and finding meaning through helping others.” Bryan also went on to say that Julia’s approach “fits perfectly with Legacy’s mindset of service.”

Legacy has been a vital part of the UAB community since our founding in 1955 and for nearly seven decades, our vision has focused on meeting the financial needs of the UAB faculty, staff, students, and alumni. We demonstrate our continued commitment to education through contributions such as the Craft Your Legacy Scholarship and programs like Growing Up Green & Gold.
