

Take a break this season from your
November, December or January
loan payment with

Skip-A-Pay

As a valued member of Legacy Credit Union,
we are happy to offer you the
opportunity to skip a loan payment.
Use the extra money to pay holiday expenses,
visit family, or even go on a vacation. It's up to you!

- Only one month may be skipped per loan
- Coupon only good for loan(s) listed

There is a \$35 processing fee for each loan skipped. You can either enclose your check in the amount of \$35 **per loan** skipped or indicate on the coupon that you would like to have this fee deducted from your Legacy Account. The \$35 per loan processing fee will not be applied to the principal or interest of your loan.

If your payment is automatically paid through payroll deduction or monthly transfer, we will need to receive the Skip-A-Pay coupon **at least 10 days before the due date.**

When your payment is skipped, interest will continue to accrue on your loan and your term will be extended by one month.
